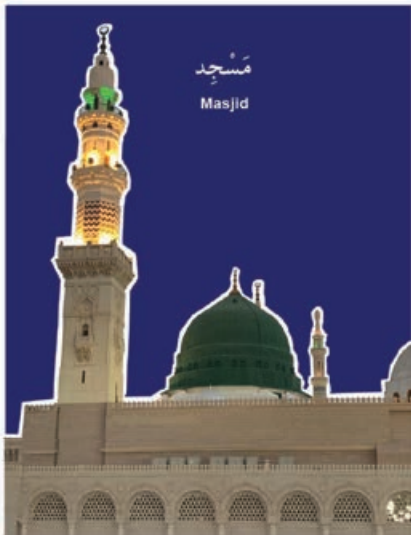
MY FIRST 110 QURANIC WORDS



KISA KIDS PUBLICATIONS | UNDER THE GUIDANCE OF MOULANA NABI R. MIR (ABIDI)

DEDICATION

This book is dedicated to our beloved Imām ʿAlī (ʿa).
May we and our children follow his example of seeing the Qurʾān as a close companion and guide.

ACKNOWLEDGMENTS

Prophet Muḥammad (ṣ): The pen of a writer is mightier than the blood of a martyr.

True reward lies with Allah, but we would like to sincerely thank Sisters Sura Hassan, Nida Syed, Sabika Mithani, Abeda Khimji, Fatima Hussain, Dana Jomaa, Marwa Kachmar, and Zainab Hussain.

May Allah bless them in this world and the next.

Disclaimer: Religious texts have ***not*** been translated verbatim so as to meet the developmental and comprehension needs of children. Many of these words have been mentioned numerous times in the Qurʾān. For sake of simplicity, one verse was chosen to be highlighted. Additionally, the singular form of each word has been used, although it may have been used in a different form in the Qurʾān.

PREFACE

Prophet Muḥammad (ṣ): Nurture and raise your children in the best way. Raise them with the love of the Prophets and the Ahl al-Bayt (ʿa).

Literature is an influential form of media that often shapes the thoughts and views of an entire generation. Therefore, in order to establish an Islamic foundation for the future generations, there is a dire need for compelling Islamic literature. Over the past several years, this need has become increasingly prevalent throughout Islamic centers and schools everywhere. Due to the growing dissonance between parents, children, society, and the teachings of Islam and the Ahl al-Bayt (ʿa), this need has become even more pressing. Al-Kisa Foundation, along with its subsidiary, Kisa Kids Publications, was conceived in an effort to help bridge this gap with the guidance of ʿulamāʾ and the help of educators. We would like to make this a communal effort and platform. Therefore, we sincerely welcome constructive feedback and help in any capacity.

The goal of *My First 110 Quranic Words* is to introduce children to common Qurʾānic words they may encounter and also help families create a bond with the Qurʾān. When a child comes into the world, the formation of their identity is dependent on many factors; one major factor includes the communication with their parents and words that they hear growing up.

According to *ḥadīth* and *riwāyat*, we know that a child can even hear in the womb of their mother. Hence, mothers are encouraged to recite the Qurʾān and *duʿās* while pregnant, as this affects the development and formation of the unborn child. Similarly, reciting the *adhān* and *ʿiqāmah* in the ears of a newborn instills in them Islamic principles and reminds them of Allah's greatness. And as the child grows, what they hear forms their identity and deepens their knowledge of themselves.

By hearing the words of the Qurʾān, children can form deeper, meaningful connection to Allah's words. We also encourage families to read the Qurʾānic *āyāt* that contain these words as a way to enhance discussion and develop children's God-consciousness.

We pray this book is an initial step toward understanding some of the content and themes of the Qurʾān and that these words will spark the reader's curiosity, encourage them to learn more and *inshāʾAllāh* reach the ultimate goal, which is to inculcate the Qurʾān into their lives.

We pray to Allah to give us the strength and *tawfīq* to perform our duties and responsibilities.

With *Duʿās*,
Nabi R. Mir (Abidi)

Please recite a Sūrah al-Fātiḥah for the marḥūmīn of the **Bahidth, Alyasee** and **Zubaidi** families
